CAROLINA HOOFPRIENTS SUMMER HORSECAMPS 2011

Welcome to our summer Horsefeathers Camp at Jake's Flat Farm!! This year we will offer three outstanding camps. Whether you attended a camp last year or this is your first year, there is something new and different for everyone. No experience or special equipment is necessary for campers.

All camps are Monday thru Friday from 9am to 1pm. Our camp closing event will be from 6pm to 7:30 on Friday. This event is the highlight of the week and allows campers to share their camp experience with family and friends.

Rockstarz-n-Divaz is a horseshow themed camp. It is all about showing off and dressing up. Campers will learn basic horsemanship and riding skills in order to participate in our silly horseshow on Friday night. While the intent of this camp is not to prepare campers for the horseshow world, etiquette, sportsmanship, presentation, and basic skills are presented. Campers spend lots of hands-on horse time with horses and ponies. Ages 4-13 years, no experience necessary.

Ruffin' It Trail Camp is a trail ride themed camp. Campers learn skills necessary to ride a horse outside the arena both in the open or forest. Basic horsemanship skills are taught along with safety and basic outdoor information. Campers will demonstrate skills and information they have learned to family and friends during camp during the open barn/campfire on Friday night. Ages 4-13 years, no experience necessary.

Born in the Barn is all about the care and keeping of horses and ponies. Campers will learn to use and care for horse and stable equipment, as well as skills necessary to the care of horses or ponies. Lessons will include horse behavior, health, grooming, and general maintenance of a barn. The Friday night open barn will provide campers opportunities to introduce family and friends to their horse and show them what they have learned. This camp will also provide campers with make and take projects to keep after camp. Ages 4-13 years, no experience necessary.

All camps are \$175 per camper with \$25 discount for paid registration before June 1 or additional campers or camps.

Visit our website at www.jakesflatfarm.com for additional information and registration forms or call (828)256-2707
